

Extend the lifetime of your conveyor!

A C-conveyor with Maxi pump

An upgraded C-conveyor

No need to compromise
www.piab.com

Extend the lifetime of your conveyor!

- ▶ Extremely simple to upgrade thanks to a standard interface
- ▶ Improves working conditions as it decreases the noise level and the integrated central exhaust
- ▶ COAX® cartridges are used for best energy performance
- ▶ Increase the uptime as the changeover will be minimized thanks to its maintenance friendly design
